

**NEW 'LITTLE BOOK' RESOURCE PRESENTS JESUS' LIFE STORY**

London-based Christian charity Lifeworlds has released a brand-new resource in its popular 'Little Book' series. *Little Book of Jesus: A Life Story* is a journey through the life and ministry of Jesus Christ and beyond, to his death and resurrection.

*Little Book of Jesus* is a free Bible resource aiming to inspire Christians and to engage people of all faiths and none with the life story of Jesus. Told through the Bible's own words, it is designed to be an ideal introduction to the person at the centre of the Christian faith.

These small attractive pocket-sized booklets have proved a popular in engaging young people with the Bible, and more 'Little Books' are planned.

Elizabeth King, Lifeworlds Supporter Engagement Lead, says: "Sharing Jesus is at the heart of our work, and in this resource the life of Jesus is front and centre. Our 'Little Books' have proved a great way of introducing people to the Christian faith. For those who find the person of Jesus intriguing or compelling, *Little Book of Jesus* presents his life in a simple and clear way."

Lifeworlds 'Little Books' range includes four other titles. *Little Book of Prayer* combines prayers from the Bible with other written prayers as a starting point for a relationship with God and *Little Book of Faith* creates space to explore, discuss and question faith in the contemporary world. *Little Book of Help* uses Bible verses to explore issues such as anger, success, friendship, and loneliness, while *Little Book of Chaos* focusses on depression, anxiety and self-worth.

Karen, who works at Salvation Army's Strawberry Field in Liverpool, describes *Little Book of Prayer* as "an absolute winner." She continues: "The resource holds amazing words of wonderful truth, presented in a beautiful way."
